

## Data Sheet

### anti-human IgM Single-domain Antibody (C-terminal Cys)

Catalog No. N1101-1mg

pNT1500

|                     |   |
|---------------------|---|
| <b>Identity</b>     | Camelid sdAb anti-human IgM, Clone 2F2<br>Unique ectopic C-terminal cysteine                                  |
| <b>Content</b>      | 1 mg sdAb lyophilized from 200 $\mu$ L<br>10 mM KPi, 300 mM NaCl, 0.5 mM EDTA pH 6.0.<br>Reconstitute in PBS. |
| <b>Data</b>         | Mr: 15,7 kD<br>Molar extinction coefficient (280nm): 21618/(M*cm)   |
| <b>Storage</b>      | Up to 3 months: $-20^{\circ}\text{C}$<br>Up to 12 months: $-80^{\circ}\text{C}$ or below                      |
| <b>Applications</b> | IF/ELISA/FACS      Recommended dilution 1:500 (for FACS and IF)   |
| <b>Specificity</b>  | Specifically recognizes human IgM   |

By purchasing this product you agree to our general terms and conditions.

Non-toxic, non-hazardous, non-infectious.
